*Delta State is
a university of people,*

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

from *The Prophet*, by
Kahlil Gibran

*not just buildings
or trees
or squirrels
or grass
or sprinklers*

*but people, both students and faculty, working,
sharing, challenging, living individually and
together.*

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

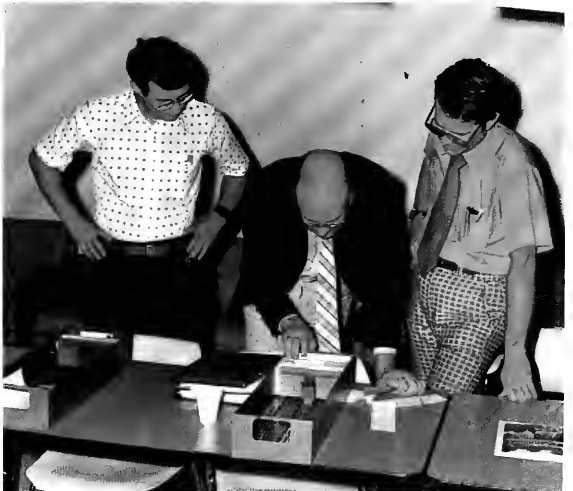

The musician may sing to you of the rhythm which in all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither.

For the vision of one man lends not its wings to another man.

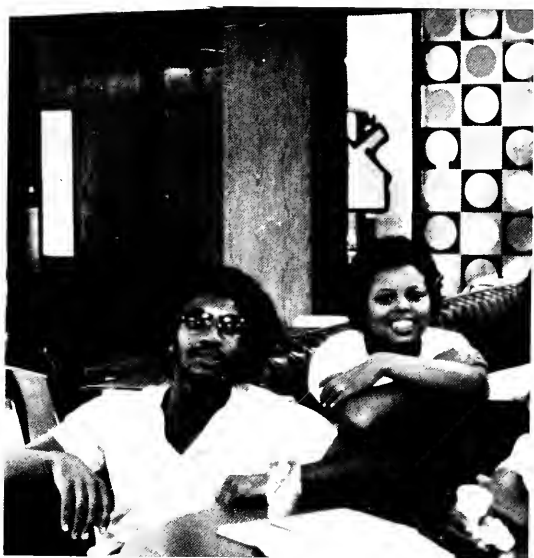

And even as each one of you stands alone in God's knowledge, so must each one of you be alone in his knowledge of God and in his understanding of the earth.

from *The Prophet*, by Kahlil Gibran

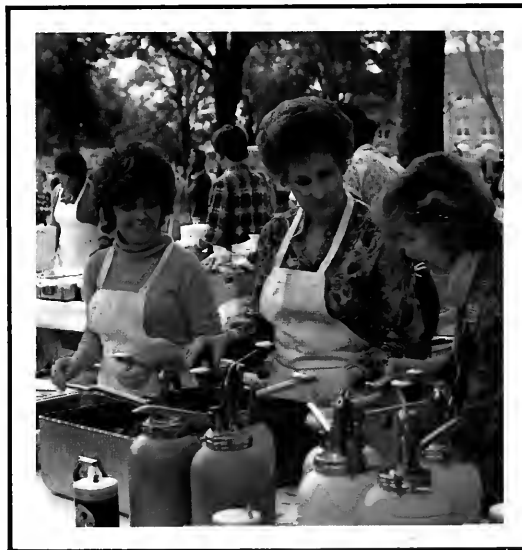

*We are a
university of
friends, both
local and not so
local;*

*friends of different
colors, ideas, values,
and goals,*

*forming relationships for a lifetime or just for
awhile.*

The making of friends,
who are real friends,
is the best token
we have of a man's
success in life.

THE STATESMAN . . .

Every year **The Broom Staff** selects one outstanding individual to whom we dedicate **The Broom**. However, this year we have two dedications; the first is Hugh Ellis Walker, the Statesman.

Mr. Walker entered Delta State Teachers College in the Spring of 1948. By the time he graduated he had accumulated a lengthy list of accomplishments. He was president of the following organizations: Student Government Association, Miss. Intercollegiate Council, and Men's Honor Council, vice-president of his Junior Class and the Baptist Student Union. Other honors include, football manager, member of the tennis team, Junior Class favorite, "M" Club member, Who's Who in American Colleges and Universities, Tri-Beta member, and finally Mr. Delta State Teachers College. He graduated in 1952 and took a coaching job at Durant, Mississippi, but his days as a Statesman were not complete.

In July, 1969, Mr. Walker took the job as Director of Alumni Affairs here at Delta State. If anyone visits the Union for any length of time, they are sure to see his smiling face; a face that has come full circle at Delta State, first as student and now an important part of the staff. This accomplishment is surely worthy of the title "**STATESMAN**."

THE ADMINISTRATOR...

The second dedication is to Dr. Jack Winton Gunn, the Administrator, but most people know him as just Dean Gunn.

Dean Gunn came to Delta State in 1967 and took the position as Assistant Dean of the University. He was born in Waco, Texas and received a bachelor of arts degree from Baylor in 1940. In 1947 Dr. Gunn received his master of arts degree from the University of Texas and completed his doctor of philosophy in 1951. Before coming to Delta State he held positions as instructor at the University of Texas at El Paso, and Chairman of the Division of Social Studies at Mississippi College. Dean Gunn then came to Delta State. In 1968 he was promoted to his present position, Dean of the University. Now, in 1980, he plans to retire.

However, Dean Gunn's accomplishments have not been confined to just colleges and universities. He has contributed to many books including a book, *A Pictorial History of Delta State University* which he co-authored. It will be out sometime this year. He is also active in many other organizations and a member of many honor societies.

The students of Delta State will miss his leadership, but wish him well in future endeavors.

Dean Gunn received his Ph.D.

Forty Carats

Arlene Dahl, actress and author, was guest artist for the Delta Playhouse production of Jay Allen's "Forty Carats." This comedy about the romantic mix-ups of a 40 year old divorcee was a big success. The student cast included Tommy Morgan, Debbie Conlee, Jerome Billingsley, Lisa Baker, Don Conger, Laine Anderson, Margot Hamilton, David Williams, Judy Cox and Eddie Coleman. Understudy for Miss Dahl was Regina Rickels. R. D. Strahan was director of the play, with assistants Tina Miller and Angie Kelly.

Blithe Spirit

Noel Coward's classic comedy "Blithe Spirit" entertained audiences with the story of what happens to a sophisticated novelist and his wife when a batty spiritualist summons back the ghost of the man's first wife during a seance. In the cast were Cecil Schmidt, Lisa Baker, Margot Hamilton, Regina Rickels, Kendall Smith, Elaine Clarke and Sarah Algee. Director of "Blithe Spirit" was Dr. Ted Solomon, with assistants Julie Townsend and Curtis Jones.

VANITIES

The Delta Playhouse production of "Vanities" by Jack Heifner was an unusual and audience-captivating examination of the relationships of three young women as they progress from high school to college and at a reunion years later where they discover that their attitudes and feelings for each other have changed.

Regina Rickels (Joanne), Paige Posey (Kathy) and Lisa Baker (Mary) were in the excellent three women cast. Director of "Vanities" was Richard D. Strahan, with assistant Jerome Billingsley.

AMELIA GOES TO THE BALL

The Opera Theatre Workshop, under the direction of Rebecca ZaiECK, presented Menotti's comic opera "Amelia Goes to the Ball." In the cast were Kim Coward, Tim Rigby, Tim Holt, Melora Love, Ryan Miley, Brenda Breland and Carol Harmon.

Ex-Delta Diamonds Unite After Several Years

Players of the 1960's

Players of the 1970's

A reunion for Delta State University baseball athletes who played between 1960 and 1979 was held Saturday March 22. This reunion recognized 20 years of Delta State baseball and this occasion provided an opportunity for our former players to renew friendships and get back on the DSU diamond for a few innings of baseball. Coach Ferriss coached 17 of the 20 teams while Don Ward directed the Statesmen during the 1967, 1968, and 1969 seasons. A 12:30 alumni game featured players who competed in the 1960's against those of the 1970's while the 1980 Statesmen faced Mississippi College at 2:30 in a Gulf South Conference outing. The reunion activities concluded with a banquet in the Green Onion Room of the Union.

Ladies Take Trophy

The Delta State University Lady Statesmen have gotten the taste of victory and found out it tastes good.

After losing 12 of their first 17 games, the Ladies seemed ill prepared to enter a tournament with any hope of winning.

But that was no argument for the Delta State squad, which made a clean sweep of its opponents this weekend to take sole possession of the first Gulf South Conference Invitational Women's Basketball Tournament championship.

With opening wins over Jacksonville State (86-57) and Troy State (81-75), the Lady Statesmen clinched the trophy with a 76-67 win over Mississippi College Saturday night.

"This is the first championship this team has won," noted Delta State coach Frances Garmon. "I contribute this win to a great team effort."

Mississippi College, the top-seeded team in the tournament, led the Deltans through most of the first half, taking a seven-point advantage with eight minutes left before intermission.

But a constant pounding of the boards by Carla Holder

and Jayne Osborne lifted the Lady Statesmen to a four-point advantage, 36-32, by halftime.

Holder and Osborne were the Ladies' top scorers against MC with 26 and 17 points, respectively.

The battle heightened in the second half, with Lisa Bridgman leading a Mississippi College comeback. Almost unstoppable from the outside, Bridgman hit the net three times in the opening minutes of the second half to help regain the lead.

The two teams traded the lead until the final four minutes of the game, when the Lady Statesmen took a second wind, then surged ahead by nine points to secure the win.

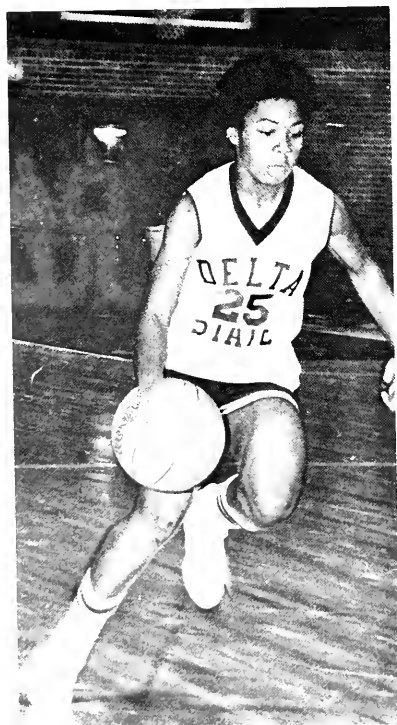

"The girls are getting to want to win now," Garmon said of her squad. "They are finding out winning tastes a whole lot better than losing."

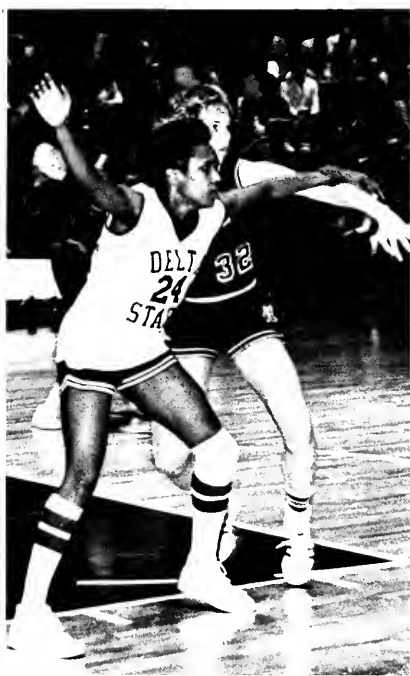

Andrella Gray, who scored eight points against MC and was named to the All-Tournament team along with Holder, said there has definitely been a change in the Lady Statesmen.

HALL OF FAME

Larry Wayne Davidson

Leadership, intelligence, participation, and athletics are all qualities that describe LARRY DAVIDSON.

On the track field, Larry highlighted the track team for Delta State. His ability won him the All American Sportsmanship Award.

A favorite among the student body, Larry was a resident assistant and was elected the most outstanding resident assistant. He was also a member of Phi Beta Lambda, the "M" Club, and the Chapel Committee.

Larry's qualities of leadership, scholarship, and athletics earned him a place in the 1980 Delta State HALL OF FAME.

HALL OF FAME

Debra Lynn Fullilove

An outstanding scholar with a shining smile characterizes this fine young lady, DEBBIE FULLILOVE. Debbie served as secretary for the Panhellenic for one year, as maid on the 1978 Homecoming Court, as secretary-treasurer for the Pi Kappa Alpha Little Sisters, as vice-president of the Omicron Delta Kappa, and as a cheerleader for two years.

Debbie was a very active young lady during her four years at Delta State. She was on the Dean's List and a member of Delta Mu Delta. She was best remembered as the 1980 Pi Kappa Alpha Dream Girl, a cheerleader for Delta State, and a member of the Phi Mu Fraternity.

The Broom staff is proud to honor Debbie as she takes her well-earned place in the 1980 HALL OF FAME.

HALL OF FAME

James Timothy Harvey

Were you ever taken in by the good looks and cheerful smile of TIM HARVEY? Well, let's take another look at a charming student who managed a variety of activities with a natural air.

Tim's athletic interests included playing baseball for four years as the starter. He was a member of several clubs including the Delta Mu Delta, Omicron Delta Kappa, Phi Kappa Phi, Fellowship of Christian Athletes, and the "M" Club.

During his senior year, Tim was elected Who's Who in American Colleges and Universities, a Faculty Scholar, and outstanding senior athlete. He was also a Tri-Delta Big Brother.

These high standards, intelligence, and strong sense of character won him the place he so greatly deserved — membership in the 1980 HALL OF FAME.

HALL OF FAME

*Michael Thomas
Marsh*

A friendly "hello" and ready wit characterize MIKE MARSH, one of the best-liked boys at Delta State.

During his four years at Delta State, Mike served as the Commissioner of Elections, on the Inter-Residence Hall Council, on the Union Program Council, and on the Student Alumni Association. Mike was also involved in some honorary fraternities such as Omicron Delta Kappa, Beta Beta Beta, Alpha Epsilon Delta, and the American Chemical Society.

As secretary-treasurer of Whittington-Williams dormitory and social chairman of the Wesley Foundation, Mike showed leadership and efficiency.

In addition to his many honors, Mike was a Dean's List scholar and a Tri-Delta Big Brother.

Mike's admirable qualities of leadership and service earned him a place in the 1980 Delta State HALL OF FAME.

HALL OF FAME

Tracy Jack Moser, Jr.

Always a willing worker, JACK MOSER was eager to contribute whatever he could toward making Delta State a better school. He was the head basketball manager for the DSU men's team for two years and baseball manager for one.

In his senior year, he was a faculty scholar and a Who's Who in American Colleges and Universities. He also won the Dean of the University Award.

Besides academic achievements, Jack involved himself in the Baptist Student Union, College Life Fellowship, Fellowship of Christian Athletes, Pi Kappa Alpha, in which he served as secretary, vice-president, and president. In addition, he served as a Phi Mu Big Brother.

To serve his school, Jack was a member of a few honor societies, such as Omicron Delta Kappa, Phi Kappa Phi, and Phi Eta Sigma. He was also a Dean's and President's List scholar.

Being a top student and devoted worker earned Jack a place in the 1980 Delta State HALL OF FAME.

HALL OF FAME

Virginia Ann Ochoa

Leadership, participation, and intelligence are qualities that describe — VIRGINIA OCHOA. The phrase "one in a million" fits her perfectly.

Virginia has tremendous musical talent. Her talents have really contributed to the DSU Marching Band as feature twirler and the Concert Band. As a member of the Baptist Student Union and Joy Fellowship, Virginia revealed her ability as a great missionary worker. Virginia has also been a member of the Spanish Club, Omicron Delta Kappa, Kappa Delta Pi, and she was on the Dean's List.

Virginia was elected as a beauty and a favorite. But most important, she was elected as Delta State's Homecoming Queen.

Her quiet, easy mood, scholastic excellence, and respectable character earned Virginia a place in the 1980 HALL OF FAME.

HALL OF FAME

Norman Terrance

Poore III

Intelligent, outstanding, notable, and good-natured — these are the qualities of TED POORE. Though not extremely outspoken, Ted is a sure leader in his own way — as president, vice-president, treasurer, and pledge trainer of Pi Kappa Alpha Fraternity; president of the Inter-Fraternity Council; a Dean's List scholar; a Delta Gent; and a Tri Delta Big Brother.

Ted was active in the Baptist Student Union, Omicron Delta Kappa, and Fellowship of Christian Athletes, and was elected Mr. DSU, and a Delta State favorite by the student body. He was also active in athletics as a baseball manager for one year and a basketball manager for two.

A well-rounded and well-liked student, Ted has earned his place in the 1980 Delta State HALL OF FAME.

HALL OF FAME

Charles Daniel Stavely

Good looks, intelligence, athletic ability — add these to a rugged personality and you have CHARLIE STAVELY, favorite in the classroom, on the football field, and among his friends.

Though most of his honors were in leadership areas, Charlie excelled in all his endeavors. A member of the football team and president of the "M" Club, he was elected the outstanding offensive lineman in the spring of 1978. Charlie's numerous honors consisted of Who's Who Among American Colleges and Universities, Johnson Dental Award, and Academic All-American.

Other honors held by Charlie were the distinction of being a member of the Omicron Delta Kappa, All GSC Academic First Team, President's List and Dean's List.

He was also a member of the American Chemical Society and the Fellowship of Christian Athletes. His quiet, easy mood, handsome features, and steady, congenial personality earned Charlie a place in the 1980 HALL OF FAME.

Electric power is a valuable resource, and it makes good sense to conserve it. Here are a few easy ways to do that

- Make sure your home is properly insulated.
- Keep your thermostat at 68° in winter and 78° in summer.
- Use dishwashers and clothes dryers only when you have a full load.
- Conserve hot water.
- Turn off TV's, radios, stereos, and lights when not in use.

A few simple rules, but following them makes good sense. Dollars and cents, too, because these rules help you save money as well as electricity.

A Friend

There is no friend like an old friend
Who has shared our morning days,
No greeting like his welcome,
No homage like his praise.
Fame is the scentless flower,
With gaudy crown of gold;
But friendship is the breathing rose,
With sweets in every fold.

OLIVER WENDELL HOLMES

The making of friends,
who are real friends,
is the best token
we have of a man's
success in life.

EDITOR'S NOTE

As I sit in my office, I think of all the memories we have as students at Delta State and see what a great year 1981 has been. I hope *The 1981 Broom* reflects all these memories by recording the fun times, the sad times, the defeats, and the victories we have had on our campus. Please understand, it's very hard to cover every event on campus, but at least we tried.

The 1981 Broom would not be possible without the help of the Broom Staff, our photographers, *The Bolivar Commercial*, Public Information, Sports Information, and the *Miss Delta*. I would like to give special thanks to Taylor Publishing Company for all their help in putting the yearbook together, to Dolores Landon for helping me design the cover and endsheet, and Jimmy Underwood for all his patience and kindness in representing our yearbook at Taylor Publishing Company. My greatest gratitude goes to Mr. Jody Correro, who has given me the encouragement to continue with the yearbook and to keep my sanity.

As you walk away from our dear Alma Mater, hopefully you will be able to relive the happy days you've spent here in *The 1981 Broom*.

Sincerely yours,

Ruth Wong
